Middle East Nazarene School Support

There are 4 Nazarene Schools in the Middle East which provide 900 children with a Christian-based education. All of our schools are located in poor neighborhoods and serve low-income families.

Nazarene schools may be our most important ministries in the Middle East. Many of our children come from families who live daily under tremendous economic stress and spiking inflation. Unless we help them, the children will begin to withdraw from our schools. If this happens then our students, both Christians and Muslims, will enter a public school system that is over-crowded and utilizes an Islamic-based curriculum.

Your gift will help supplement the tuition of students who cannot afford to pay their full tuition. A \$25 gift can provide a month's worth of support a child needs to stay in a Nazarene school.
