Help for Persecuted Christians

Dangers exist for certain people who choose to follow Christ in the Middle East. Families are physically threatened or ostracized, properties and businesses are destroyed, and people are arrested with mounting legal bills. As more and more people respond to the good news of Christ, there is a need to protect and support them when troubles arise.

A gift to this fund will help relocate families, provide small business loans, provide general assistance and pay legal fees for people in the Middle East who are persecuted for their faith in Christ.
